

COVID-19 Cases – Updated 12/14/20

The Delaware Department of Services for Children, Youth and Their Families (DSCYF) has taken extensive and immediate actions to slow the spread of COVID-19. The Division of Youth Rehabilitative Services, which oversees Level IV and Level V secure care facilities, has implemented COVID-19 protocols in accordance to the Division of Public Health and Centers for Disease Control and Prevention guidance. Measures include:

- Training on proper cleaning techniques and screening protocols
- Providing personal protective gear to facility and community-based staff
- Daily temperature checks for youth and staff
- Staff and youth must wear face coverings
- Youth are quarantined for 14 days upon entry to a secure care facility and monitored for symptoms
- Special COVID-19 care units have been established in order to care for positive youth
- COVID-19 testing is available to all youth monthly and all staff every two weeks
- YRS has also purchased two disinfectant foggers to rotate between facilities for cleaning

For parents and caregivers looking to reach out to their children residing in Youth Rehabilitative Services facilities during this time please call - 302-633-2620
